MEET THE MARSHFIELD CLINIC, ANOVIA HEALTH CARE TEAM

Sumeet Goel, DO FACOFP is a lead physician at Anovia Health. He earned his undergraduate degree with honors from the University of Michigan and completed medical school on the campus of Virginia Tech. He then completed his family medicine residency at Florida Hospital in Orlando, FL.

Since residency, he has been practicing in central Wisconsin and has over a decade of experience caring for patients in this area. In addition to his work at Anovia, Dr. Goel serves as a clinical faculty member at the Medicine College of Wisconsin in Wausau, and is also an officer on the Wisconsin Medical Board

Ann Sommer, Physician Associate, grew up on a dairy farm outside of Marshfield, WI. After high school she moved to Europe to nanny her niece and discovered her destiny to be a PA. She finished PA school in Pennsylvania, graduating with honors, and completed a PA Only Surgical Residency at Norwalk Hospital/Yale School of Medicine. She has experience working in general and vascular surgery, orthopedics, GI, and women's health.

In addition to being a great clinician, she is a budding author and coach. She recently co-authored "Success Refined" with Jack Canfield (the author of 'Chicken Soup for the Soul') and is developing a coaching practice focused on helping high-achieving women prepare for their next move.

Kaitlin "Kait" Engle, DNP is a board certified Family Nurse Practitioner. She received her Bachelor of Science in Nursing degree from the University of Wisconsin-Oshkosh in 2013 and completed her Doctorate in Nursing Practice from Oshkosh in 2018.

Before coming to Anovia Health, Kait worked for Marshfield Health systems in Occupational Health and Urgent Care. Now, she looks forward to focusing on primary care and using her diagnostic and listening skills to help others navigate their health needs.

Stacey Fecker has been a Certified Medical Assistant and Certified Anesthesia Technician for 18 years. She has also worked as an EMT and in hospital and clinic settings for the past 25 years. She received her formal training at Mid-State Technical College in Marshfield. As a key member of the Anovia Marshfield care team, Stacey rooms patients, takes vitals, draws labs, assists the medical providers with procedures, and facilitates follow-up care issues.
