

Happy New Year, Team Roehl!

NEW YEAR, NEW TEAMMATES!

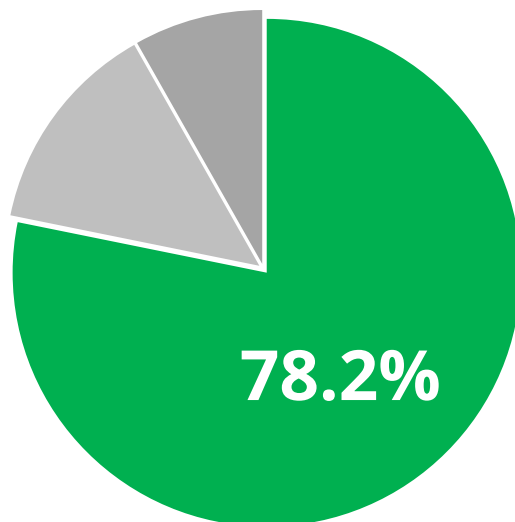

Using *My Feedback*, we survey new teammates to learn about their experiences during the recruiting process. From January 1 - December 30 over 2200 teammates answered 'Strongly Agree' or 'Agree' when asked these questions:

- My Recruiter provided me an accurate description of my home time schedule.
- My Recruiter provided me an accurate description of the work.
- My Recruiter provided me accurate information about my pay and/or miles.

Here's what some of our teammates had to say about their recruiters and recruiting experience:
